Kevin,

I was told that Kristen indicated in discussions with someone she may be willing to mediate this issue with either Skip Henkel or Duncan Neblett. My clients would just like for there to be some discussion to try to resolve this issue. My understanding of the present position of the County Attorney is she will not prosecute any cases filed by the Rockport Police Department or any filed by other agencies where officer Brooks appeared at the scene. I am available to discuss this with you at your convenience.

Best regards,

Jim
